Bronze Camp – Leader Application

Dear Member,

Thank you for expressing interest to join the 2023 Bronze Training Team. The club Bronze Camp is one of the largest training courses the club provides to its members and the public. Each year the camp seems to grow bigger in volume, and it is the highlight for trainers who are involved.

For some, Bronze Camp is the natural pathway into surf lifesaving after having completed Nippers or SRC. For others, it may be their first-time stepping foot into a lifesaving club. The Training Team takes pride in the way we deliver the Bronze Course and ensures that the Bronze Camp Managers are supported by an experienced group of leaders.

This season, we are looking for members/trainers to help run the Bronze Camp. The members who are chosen will undergo a training weekend, to ensure that you are up to date with course materials, course timetable and course activities throughout the week. Members MUST be able to attend the Leadership Workshop to be selected as a Leader. Please see below for details:

Leadership Workshop

Date: 16th – 17th September 2023

Location: Woolamai Beach SLSC

With limited positions available, selection will be based on lifesaving experience and awards/qualifications held. The members selected will be held at a high standard throughout the entire camp. Please do not be discouraged from applying as opportunities may arise elsewhere in future.

To apply as a Bronze Leader, please fill out this form <https://form.jotform.com/231781289888880>

Below are descriptions on the different role opportunities available. You may apply for more than 1 role.

Applications will close 1st September 2023

Kind Regards,

Terry Aslanidis
Director of Member Development
