Lifesaving Services Applications

Dear Members,

I am very pleased to announce that I have been re-elected as your Club Captain, also known as the Director of Lifesaving Services for the 2023/24 season. I am hopeful to continue the great work from last season and send the club in a forward direction. I will again, have great emphasis on member retention, social activities and bringing more enthusiasm for our lifesaving patrols. Please at any stage throughout the season contact me and I will try and be of assistance where possible.

Please see below all vacant positions in the lifesaving services team for the 2023/24 season.

Vice-Club Captain

This year I am re-introducing Vice Club Captains. I am after 2 individuals who see themselves as active members of the club and want to help better the club. The 2 VCC's will be responsible for assisting with the provision of the club's operational services, by supporting all LSOC members, the Club Captain and Junior Club Captains with operations of the club and gear and equipment.

Both individuals will also heavily focus on member engagement and club socials activities. I am very excited to work with these individuals and encourage everyone who wants to take the next step in a leadership role to apply.

Lifesaving Equipment Roles

The role of the lifesaving equipment officers is to ensure our equipment is operational and ready to use. Descriptions on the below roles can be found here:

<https://www.woolamaibeach.org.au/life-saving-services>

We are hopeful people will re-apply for roles. This season we are looking for the following positions to be filled:

- Manager of Gear & Equipment
- 2 x IRB Officers
- 1 x Radio Officer
- 2 x Mobile Equipment Officers
- 2 x Lifesaving Equipment Officers
- 2 x First Aid Officers

Woolamai Beach Surf Life Saving Club

Mentors, Patrol Captain & Vice Patrol Captain

The role of the Patrol Leadership Team is to be the first point of contact for active patrolling members. The duties of each role varies and will be set out in our pre-season workshop – TBC date and time.

This season we are looking to fill each of the below positions in every patrol. The Patrol Leadership Team consists of the following roles:

- 2 x Mentors
- 2 x Patrol Captains
- 2 x Vice Patrol Captains
- 2 x Junior Captains

To be consistent in our inclusion statement, members will need to re-apply each season for these positions. This process will also allow us to stabilise our patrols by spreading our experienced/stronger members across the board and allow our younger members the opportunity to apply for a leadership position.

Adequate training will be provided before the season and necessary support throughout the season. We strongly encourage members to keep re-applying and for older members to be in a mentor role as well.

**Please note, anyone wishing to be a Patrol Captain this season, will need to participate in a Patrol Captain Course – Provided by the club and training team once selected and prior to the season commencement.*

Application Form

To apply for any of the above roles, please fill in this form by no later than **17th August 2023** - <https://form.jotform.com/231792374320858>

We also encourage you to be involved in other ways. Please check out the communication roles and spread the word to individuals you think may be interested.

If you have any questions or concerns, please do not hesitate to contact me.

Kind Regards,

Campbell Smart
